

TWENTY-SIXTH ANNUAL SYMPOSIUM
THE SOCIETY FOR NONLINEAR DYNAMICS AND ECONOMETRICS
MARCH 19 – MARCH 20, 2018
KEIO UNIVERSITY
TOKYO, JAPAN

PRESENTATIONS

Each author will be given 25 minutes to present, which includes 20 minutes for the paper presentation and 5 minutes for Q&A. Please bring your presentation on a flash drive so that you can easily load your talk onto the computer in the room where you will present. Each room will have a computer, projector and screen, FYI.

PROGRAM SCHEDULE

The updated program schedule can be found at <https://editorialexpress.com/conference/SNDE2018/program/SNDE2018.html>. Please check the schedule as there will be changes and updates.

CONFERENCE VENUE

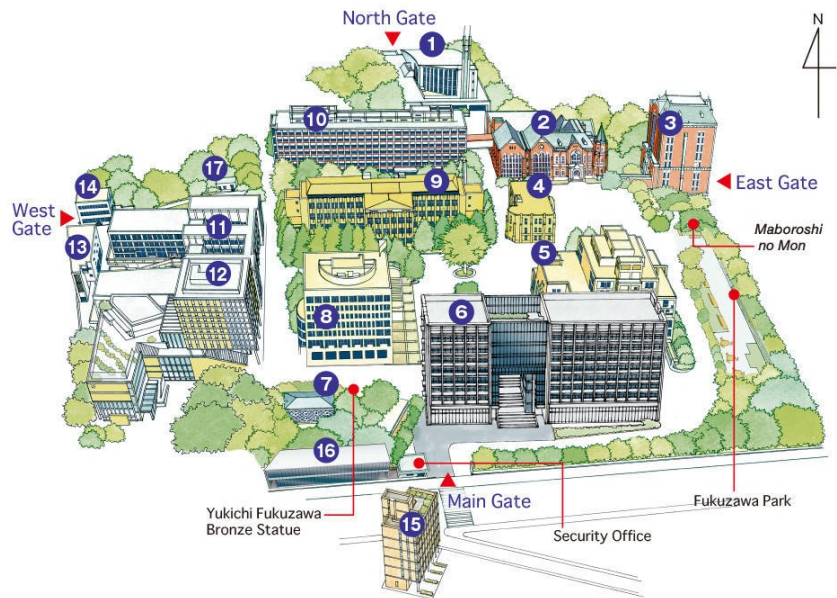

The sessions will be held at Keio University's Mita campus in the South School Building (<https://www.keio.ac.jp/en/maps/mita.html>), located right inside the main gain to the Mita campus (#6 on the map below). Sessions will be on the seventh floor in rooms 471, 472, 473, 475, 476 and 477. Boxed lunches will be provided each day following the plenary session in room 475. The conference dinner (buffet) will be held on the 4th floor of the South School Building on Monday evening, March 19.

CONFERENCE REGISTRATION

The registration desk will be in the South School Building in room 474 on the seventh floor. Registration will open on Monday, March 19, at 8:00 AM, and throughout the conference should you have questions.

HOTEL ACCOMMODATIONS

There are many hotels near to the University so please book per your personal preferences. Two hotels recommended by the local arrangements committee are The Celestine Tokyo-Shiba (<https://www.celestinehotels.jp/tokyo-shiba/eng/>) and the Hotel Villa Fontaine Tokyo-Tamachi (<https://www.hvf.jp/eng/location/tamachi.php>). Both hotels are located within a 10-minute walk (less than one half mile) from the conference venue.

GROUND TRANSPORTATION

Please find information about getting to Keio University's Mita campus at <https://www.keio.ac.jp/en/maps/> - Haneda Airport is closer, but arrivals at Narita Airport can easily access the campus as well.

QUESTIONS

Please contact Kristin Scheyer, Administrative contact for SNDE 2018, at SNDEsymposia@live.com.
